With reference to Government Notification No L 1818-M1 22-43-14 dated 12-8-1943 authorising me to hear objections under section 5 A of the Land Acquisition Act, regarding the acquisition of certain properties required for the construction of buildings for the combined Ayurvedic and Unani Hospital, Bangalore City, I have the honour to state that only one objection petition was received from the Honorary Secretary, the Varadachar Memorial Art Association stating that the place is ideally situated for a theatre being in a central locality with a large open space and such a place cannot be easily got in any other place But this is not a valid objection for the acquisition He also disputed the measurements of the property and they were again remeasured and correct measurements have been noted in the draft notification

The measurements of all the properties were again checked and the exact measurements have been noted in the draft - notification

The draft final notifications in duplicate in Kannada and English are herein enclosed for favour of arranging publication in the Mysore Gazette.

The cost of acquisition of these properties has been estimated to be about Rs 1,13,621/- which will be met out of State Funds

I request that orders of Government may be kindly

kindly obtained to the acquisition of these properties.
